Ask your hardware store if household hazardous waste will accept your containers and arrange the sale of the product you sell.

"What is Household Hazardous Waste?"

Household hazardous waste is any waste that can harm the health and safety of the environment, such as the following:

Dispose of Household Hazardous Waste the Right Way:

Use it up
Clean it up
Round it up

Don't do it the wrong way:

- Don't throw it in the trash.
- Don't pour it down the drain.
- Don't burn it over the fire.
- Don't dump it in the ground or other public areas.
